Plaintiffs Tumi, Inc., Samsonite LLC, and Delilah Europe Investments Sarl file this Complaint for declaratory judgment in light of a coverage dispute with Defendant Factory Mutual Insurance Company (“FMIC”), and FMIC's breach of contract and anticipatory breach of contract, alleging the following:

I. INTRODUCTION

1. Tumi, Inc., Samsonite LLC, and Delilah Europe Investments Sarl, and their subsidiaries and any partnerships and joint ventures in which they have management control or ownership (collectively “Samsonite”) are Insureds under FMIC’s “All Risk” Master Global Policy. This dispute arises from FMIC’s refusal to accept coverage for Samsonite’s claim for insurance coverage under the “All Risk” Master Global Policy that FMIC sold to Samsonite.

2. Despite selling an insurance policy broadly covering Samsonite for “all risks of physical loss or damage” to property (except as otherwise expressly excluded), as well as the

resulting time element and extra expense losses, FMIC has refused to honor its full scope of contractual obligations for a claim that is clearly covered.

3. FMIC must cover the loss sustained by Samsonite, which FMIC contractually agreed to insure.

II. PARTIES

4. Tumi, Inc. is an Insured under FMIC's "All Risk" Master Global Policy. It is incorporated under the laws of the state of New Jersey with its principal place of business in New Jersey.

5. Samsonite LLC is an Insured under FMIC's "All Risk" Master Global Policy. It is a limited liability company organized in the state of Delaware with its principal place of business at 575 West Street, Suite 110, Mansfield, Massachusetts. The sole member of Samsonite LLC is a holding company organized in the state of Delaware with its principal place of business at 575 West Street, Suite 110, Mansfield, Massachusetts.

6. Delilah Europe Investments Sarl is an Insured under FMIC's "All Risk" Master Global Policy. It is a Société à Responsabilité Limitée organized in Luxembourg with a principal place of business at 13-15 Avenue de la Liberté, Luxembourg, L-1931, Luxembourg.

7. Samsonite operates in Union County, in New Jersey, in the United States and in numerous countries around the globe.

8. FMIC is incorporated under the laws of the State of Rhode Island with its principal place of business in Johnston, Rhode Island.

III. JURISDICTION AND VENUE

9. This Court has jurisdiction over this action because more than \$15,000 is at issue; FMIC has engaged in or carried out business in New Jersey, including by selling insurance to New

Jersey residents and to the Samsonite insureds, covering their property and business operations in New Jersey; there is a nexus between such FMIC's and Samsonite's businesses and this action; and FMIC has engaged in, and continues to engage in, substantial business activity in New Jersey.

10. Indeed, FMIC is licensed to do business in New Jersey, and it transacts insurance business in New Jersey.

11. FMIC is subject to jurisdiction in New Jersey by having acted for the purpose of realizing pecuniary benefit in this State, and by contracting to insure policyholders, property, and risks located within New Jersey.

12. Venue is proper in this Court under R. 4:3-2(a)(3) because the parties conduct business here and have suffered losses here. Indeed, the Tumi Outlet Store and the Samsonite Company Store are both at The Mills at Jersey Gardens in Elizabeth, New Jersey.

IV. FACTUAL BACKGROUND

13. The Samsonite insureds are worldwide leaders in superior travel bags, luggage, and accessories combining notable style with the latest design technology and the utmost attention to quality and durability.

14. The Samsonite insureds sell their products in New Jersey and throughout the world under the Samsonite® and Tumi® brand names as well as other owned and licensed brand names; they do so through multiple distribution channels including wholesale distribution channels (e.g., department and specialty retail stores, mass merchants, warehouse clubs and e-retailers), through company-operated retail stores and through e-commerce.

15. Prior to being forced to close in the midst of the coronavirus pandemic, thousands of people visited Samsonite stores every day.

16. FMIC sold a comprehensive, global program of insurance to Samsonite.

17. FMIC, operating as “FM Global,” markets itself as a “true business partner in risk management and resilience.” FMIC claims it provides “property insurance coverage based on the realities of your business and your particular property risk management challenged.”

18. On information and belief, FMIC represents to its policyholders that it evaluates all claims in good faith, in a manner consistent with the plain language of the policy and pursuant to the applicable law governing the interpretation of the relevant policy.

19. Samsonite paid substantial premium to purchase from FMIC the Master Global Policy No. 1059326, with a policy period of November 1, 2019 to November 1, 2020 (“Policy”) and other policies issued by it and its affiliates. The Policy is attached hereto as Exhibit A.

20. The Policy covers Samsonite’s property against “ALL RISKS OF PHYSICAL LOSS OR DAMAGE, except as hereinafter excluded...” (Exhibit A, at 1, 8).¹

21. The Policy also affords coverage to Samsonite for Time Element Loss “directly resulting from physical loss or damage of the type insured...” (Exhibit A, at 49).

22. The Policy provides up to one billion dollars in coverage. (Exhibit A, at 12).

23. FMIC agreed to cover Samsonite’s risk of loss in consideration of the substantial premium that was paid by Samsonite.

A. COVID-19 is a Deadly Communicable Disease

24. COVID-19 is a deadly communicable disease that, as of January, 2021, has already infected over 22.6 million people in the United States and caused more than 376,476 deaths.²

¹ The page number refers to the bates stamp number beginning “Samsonite 000001” at the bottom right corner of each page.

² N.Y. Times, <https://www.nytimes.com/interactive/2020/us/coronavirus-us-cases.html> (last visited January 12, 2021).

25. The World Health Organization (“WHO”) declared the COVID-19 outbreak a pandemic and President Trump declared a nationwide emergency due to the public health emergency caused by the COVID-19 outbreak in the United States.

26. A pandemic, by definition, is an “epidemic occurring worldwide.”³

27. The incubation period for COVID-19 – i.e., the time between exposure (becoming infected) and symptom onset – can be up to 14 days.⁴

28. During this period, known as the “pre-symptomatic” period, infected persons can be contagious and disease transmission can occur before the infected person shows any symptoms or has any reason to believe they are infected.⁵

29. In addition to being spread by human-to-human transfer, COVID-19 also can exist on contaminated objects or surfaces.⁶

30. According to a study documented in *The New England Journal of Medicine*, SARS-CoV-2 (the viral particle causing COVID-19) is detectable in aerosols for up to three hours, up to 24 hours on cardboard, and up to three days on plastic and stainless steel.⁷

31. Samsonite uses all of these materials at its stores and in its ordinary course of business.

32. Individuals can become infected with COVID-19 through indirect contact with surfaces or objects used by an infected person, whether they were symptomatic or not.

33. COVID-19 also can spread through airborne transmission.

34. The Centers for Disease Control (“CDC”) published a study in July 2020 that concluded “droplet transmission was prompted by air-conditioned ventilation” that caused an outbreak among people who dined in the same air-conditioned restaurant.⁸

B. Closure Orders Because Of COVID-19 and Related Physical Loss Or Damage To Property.

35. On March 16, 2020, and directly because of COVID-19, the CDC and the national Coronavirus Task Force, civil authorities regulating the effect of infectious disease, issued public guidance titled “30 Days to Slow the Spread” of COVID-19. The guidance called for extreme social distancing measures, such as working from home, avoiding gatherings of more than ten people, and avoiding discretionary travel, such as shopping at retail stores.

36. Also to protect property from further loss or damage, officials from state and local governments in the United States and abroad imposed directives requiring residents to shelter in place or remain in their homes unless performing “essential” activities and certain businesses to close (“Stay at Home Orders”).

37. More recently, some medical researchers have advised that HEPA and other specialized air filtration systems can be used to remediate the presence of COVID-19.⁹

⁸ Jianyun Lu et al., *COVID-19 Outbreak Associated with Air Conditioning in Restaurant, Guangzhou, China, 2020*, Vol. 26, No. 7 (July 2020), https://wwwnc.cdc.gov/eid/article/26/7/20-0764_article.

38. Because COVID-19 physically affects the property on which it is present and can be transferred to individuals that come into contact with the surface of such property, thereby infecting that individual, the Stay at Home Orders were issued directly because of damage to property to minimize the spread of COVID-19 by reducing the likelihood of an individual's exposure to that property.

39. Likewise, as evidenced by the recent advice that HEPA and other specialized air filtration systems can be utilized to remedy the presence of COVID-19, physical alteration of property may be necessary to render it safe from COVID-19 and return the property to a useable state.¹⁰

40. The Stay at Home Orders typically require businesses deemed "non-essential" to be closed and in-person work is forbidden.

41. For example, on March 21, 2020, Governor Murphy signed Executive Order No. 107. That Executive Order, among other things, provided: "The brick-and-mortar premises of all non-essential retail businesses must close to the public as long as this Order remains in effect." The Order further mandated that New Jersey residents remain at their place of residence unless engaged in essential activities, cancelling gatherings of individuals. (N.J. Exec. Order 107, attached as Exhibit B.)

42. On March 16, 2020, New York City Mayor Bill De Blasio issued Executive Order No. 100, which was intended to minimize the spread of COVID-19, emphasizing that COVID-19 "physically is causing property loss and damage." (N.Y.C. Exec. Order No. 100, attached as Exhibit C.)

¹⁰ *Id.*

43. On March 19, 2020, the City of Los Angeles issued a “Safer at Home” order, detailing how COVID-19 “can spread easily from person to person and it is physically causing property loss or damage due to its tendency to attach to surfaces for prolonged periods of time.” (Los Angeles Safer at Home Order, attached as Exhibit D.)

44. Positivity rates measure the number of positive tests from the total number of tests administered and are used for determining whether a particular area is prepared to reopen.¹¹

45. The WHO recommended that a particular area reach a 5% positivity rate or lower before reopening.¹²

46. On March 28, 2020, the positivity rate for New York City was 71.2%, meaning that for every 1,000 people tested, 712 people tested positive.¹³

47. While the positivity rates dipped slightly over the summer months, the autumn and winter of 2020 proved to be significantly problematic. As of January 12, 2021, New Jersey was “either actively experiencing an outbreak or [was] at extreme risk,” with a positivity rate of 12.7%.¹⁴

48. Some Stay at Home Orders have been in effect and have caused the suspension of both non-essential and essential businesses.

49. Despite reopening and loosening of restrictions under the Stay at Home Orders, many non-essential businesses have not returned operations to pre-loss levels.

50. In some jurisdictions, new orders restricting or closing businesses have been issued as a direct result of a new presence of COVID-19, which has required some reopened stores to close again.

51. As a non-essential business with operations in locations under Stay at Home Orders, Samsonite has been required to comply with applicable orders.

52. Stay at Home Orders required complete closure of Samsonite Locations around the United States. Many of these locations have reopened, but are subject to government orders limiting operational capacity.

53. Similar government orders and directions in the U.S. and other countries have likewise restricted travel, imposed entry bans and border controls, and required Samsonite Locations around the world to close.

54. Moreover, China, Italy, France, Spain, and other countries have implemented the cleaning and fumigating of public areas prior to allowing them to re-open due to the intrusion of the coronavirus.

55. In the U.S., the CDC has issued guidelines for the cleaning and disinfecting of surfaces before businesses should reopen to the public.¹⁵ In accordance with the CDC guidance:

Examples of frequently touched surfaces and objects that will need routine disinfection following reopening are:

- tables,
- doorknobs,
- light switches,
- countertops,
- handles,
- desks,
- phones,
- keyboards,
- toilets,

¹⁵ <https://www.cdc.gov/coronavirus/2019-ncov/community/reopen-guidance.html>

- faucets and sinks,
- gas pump handles,
- touch screens, and
- ATM machines.

56. In New Jersey, Governor Murphy issued Executive Order No. 122 (Requirements for Operation of Essential Retail Businesses) on April 8, 2020, which provides that essential retail businesses “must adopt policies that include, at minimum, the following requirements: . . . Require frequent sanitization of high-touch areas like restrooms, credit card machines, keypads, counters and shopping carts.” (New Jersey Order, attached as Exhibit E).

57. COVID-19 and relevant Orders, including Stay at Home Orders, have directly impacted Samsonite’s operations and Samsonite’s gross earnings and gross profit. They have also directly caused Samsonite to incur extra costs to temporarily continue as nearly normal as practicable the conduct of its business.

58. The restrictions and limitations on Samsonite’s operations have caused substantial damage.

59. Despite efforts to prioritize online sales in the midst of store closures due to COVID-19, Samsonite’s revenues nonetheless have dropped substantially.

60. Samsonite has suffered direct physical loss and/or damage to its property due to COVID-19 and the Stay at Home Orders.

61. Likewise, COVID-19 has caused direct physical loss and/or damage to property that Samsonite does not own, occupy, lease, rent, or have insured under the Policy.

C. Samsonite’s Policy

62. The Policy’s Declarations provides “This Policy covers property, as described in this Policy, against ALL RISKS OF PHYSICAL LOSS OR DAMAGE, except as hereinafter excluded, while located as described in this Policy.” (Exhibit A, at 8).

63. The Named Insureds are Samsonite LLC, Tumi Inc. and Delilah Europe Investments Sarl and any subsidiary, as well as any partnership or joint venture in which Samsonite LLC, Tumi Inc. and Delilah Europe Investments Sarl has management control or ownership. (Exhibit A, at 8).

64. The Property Damage coverage section provides the Policy insures real and personal property on the Schedule of Locations or within 1,000 feet/300 meters thereof. (Exhibit A, at 20).

65. Indeed, the Schedule of Locations is a lengthy spreadsheet providing information concerning numerous locations worldwide, including in the United States, Canada, Mexico, Australia, Asia, and Europe. (Exhibit A, at 89-135).

66. The Property Damage coverage section also covers any location that is purchased, leased, or rented by the Insured after the inception date of the Policy.

67. As used herein, “Samsonite Location” refers to any location that is covered under the Policy.

68. The Property Damage coverage section includes “Additional Coverages for insured physical loss or damage.” (Exhibit A, at 21-48).

69. The Additional Coverages include, without limitation, “Claims Preparation Costs” or the reasonable fees payable to the Insured’s accountants, auditors, or other professionals, as well as the cost of using the Insured’s employees for preparing proofs, information or evidence concerning the claim for coverage as required by FMIC. (Exhibit A, at 33)

70. The Additional Coverages further include “Communicable Disease Response.” The Policy provides, in pertinent part, as follows:

If a location owned, leased or rented by the Insured has the actual not suspected presence of communicable disease and access to such location is limited, restricted or prohibited by:

- 1) an order of an authorized governmental agency regulating the actual not suspected presence of communicable disease; or
- 2) a decision of an Officer of the Insured as a result of the actual not suspected presence of communicable disease,

this Policy covers the reasonable and necessary costs incurred by the Insured at such location with the actual not suspected presence of communicable disease for the:

- 1) cleanup, removal and disposal of the actual not suspected presence of communicable diseases from insured property; and
- 2) actual costs of fees payable to public relations services or actual costs of using the Insured's employees for reputation management resulting from the actual not suspected presence of communicable diseases on insured property.

This Additional Coverage will apply when access to such location is limited, restricted or prohibited in excess of 48 hours.

This Additional Coverage does not cover any costs incurred due to any law or ordinance with which the Insured was legally obligated to comply prior to the actual not suspected presence of communicable disease. . . .

(Exhibit A, at 34).

71. The Policy defines "Communicable Disease" as including "disease which is: ... transmissible from human to human by direct or indirect contact with an affected individual or the individual's discharges." (Exhibit A, at 83).

72. By including Communicable Disease Response coverage as one of the "Additional Coverages for insured physical loss or damage," the Policy expressly acknowledges that communicable disease causes "insured physical loss or damage."

73. The Additional Coverages also include "Decontamination Costs," as follows:

If insured property is contaminated as a direct result of insured physical damage and there is in force at the time of the loss any law or ordinance regulating contamination due to the actual not suspected presence of contaminant(s), then this Policy covers, as

a direct result of enforcement of such law or ordinance, the increase cost of decontamination and/or removal of such contaminated insured property in a manner to satisfy such law or ordinance. This Additional Coverage applies only to that part of insured property so contaminated due to the actual not suspected presence of contaminant(s) as a direct result of insured physical damage.

(Exhibit A, at 35-36).

74. The Policy defines “contaminant” as “anything that causes contamination;” “contamination” is defined as “any condition of property due to the actual or suspected presence of any foreign substance, impurity, pollutant, hazardous material, poison, toxin, pathogen or pathogenic organism, bacterial, virus, disease causing or illness causing agent, fungus, mold or mildew.” (Exhibit A, at 83).

75. By including Decontamination Costs coverage as one of the “Additional Coverages for insured physical loss or damage,” the Policy expressly acknowledges that contamination causes “insured physical loss or damage.”

76. The Policy provides “Time Element” coverages and coverage extensions.

77. The Policy provides: “This Policy insures TIME ELEMENT loss, as provided in the TIME ELEMENT COVERAGES, directly resulting from physical loss or damage of the type insured” to various properties, including (without limitation) property described in the Policy; used by the Insured or for which the Insured contracted use; and while located as described in the Schedule of Locations or within 1,000 feet/300 meters thereof. (Exhibit A, at 49).

78. The Policy also covers “expenses reasonably and necessarily incurred by the Insured to reduce the loss otherwise payable under this section of the Policy.” (Exhibit A, at 50).

79. The Policy provides “Supply Chain Time Element Coverage Extensions,” which include, without limitation, Civil or Military Authority, Contingent Time Element Extended, Ingress/Egress, and Logistics Extra Cost. (Exhibit A, at 61-66).

80. “Civil or Military Authority” coverage is provided, in part, as follows:

This Policy covers the Actual Loss Sustained and EXTRA EXPENSE incurred by the Insured during the PERIOD OF LIABILITY if an order of civil or military authority limits, restricts or prohibits partial or total access to an insured location provided such order is the direct result of physical damage of the type insured at the insured location or within five statute miles/eight kilometers of it.

(Exhibit A, at 61-62).

81. “Contingent Time Element Extended” coverage is provided, in part, as follows:

This Policy covers the Actual Loss Sustained and EXTRA EXPENSE incurred by the Insured during the PERIOD OF LIABILITY directly resulting from physical loss or damage of the type insured to property of the type insured at contingent time element locations located within the TERRITORY of this Policy.

As respects CONTINGENT TIME ELEMENT EXTENDED:

1) Time Element loss recoverable under this Extension is extended to include the following TIME ELEMENT COVERAGE EXTENSIONS:

CIVIL OR MILITARY AUTHORITY

CONTINGENT TIME ELEMENT EXTENDED

DATA SERVICE PROVIDER TIME ELEMENT

DELAY IN STARTUP

EXTENDED PERIOD OF LIABILITY

INGRESS/EGRESS

ON PREMISES SERVICES

SERVICE INTERRUPTION TIME ELEMENT

(Exhibit A, at 62-63).

82. The Policy defines “contingent time element location” as follows:

A. Any location:

- 1) Of a direct customer, supplier, contract manufacturer or contract service provider to the Insured;
- 2) Of any company under a royalty, licensing fee or commission agreement with the Insured;

B. Any location of a company that is a direct or indirect customer, supplier, contract manufacturer or contract service provider to a location described in A1 above, not including locations of any company directly or indirectly supplying to, or receiving from ,the Insured, electricity, fuel, gas, water, steam, refrigeration, sewage, voice, data or video.

(Exhibit A, at 83-84).

83. “Ingress/Egress” coverage is provided, in part, as follows:

This Policy covers the Actual Loss Sustained and EXTRA EXPENSE incurred by the Insured during the PERIOD OF LIABILITY due to the necessary interruption of the Insured’s business due to partial or total physical prevention of ingress to or egress from an insured location, whether or not the premises or property of the Insured is damaged, provided that such prevention is a direct result of physical damage of the type insured to property of the type insured.

(Exhibit A, at 63).

84. “Logistics Extra Cost” coverage is provided, in part, as follows:

This Policy covers the extra cost incurred by the Insured during the PERIOD OF LIABILITY due to the disruption of the normal movement of goods or materials:

- 1) directly between insured locations; or
- 2) directly between an insured location and a location of a direct customer, supplier, contract manufacturer or contract service provider to the Insured,

provided that such disruption is a direct result of physical loss or damage of the type insured to property of the type insured located within the TERRITORY of this Policy.

(Exhibit A, at 64-65).

85. The Policy provides “Additional Time Element Coverage Extensions,” which include, without limitation, Attraction Property, Extended Period of Liability, and Interruption by Communicable Disease. (Exhibit A, at 66-71).

86. “Attraction property” coverage is provided, in part, as follows:

This Policy covers the Actual Loss Sustained and EXTRA EXPENSE incurred by the Insured during the PERIOD OF LIABILITY directly resulting from physical loss or damage of the type insured to property of the type insured that attracts business to an insured location and is within 1 statute mile/1.6 kilometers of the insured location.

(Exhibit A, at 66-67).

87. “Extended Period of Liability” coverage is provided, in part, as follows:

The GROSS EARNINGS coverage is extended to cover the reduction in sales resulting from:

- 1) the interruption of business as covered by GROSS EARNINGS;
- 2) for such additional length of time as would be required with the exercise of due diligence and dispatch to restore the Insured's business to the condition that would have existed had no loss happened; and
- 3) commencing with the date on which the liability of the Company for loss resulting from interruption of business would terminate if this Extension had not been included in this Policy.

(Exhibit A, at 68-69).

88. "Interruption by Communicable Disease" is provided, in part, as follows:

If a location owned, leased or rented by the Insured has the actual not suspected presence of communicable disease and access to such location is limited, restricted or prohibited by:

- 1) an order of an authorized governmental agency regulating the actual not suspected presence of communicable disease; or
- 2) a decision of an Officer of the Insured as a result of the actual not suspected presence of communicable disease,

this Policy covers the Actual Loss Sustained and EXTRA EXPENSE incurred by the Insured during the PERIOD OF LIABILITY at such location with the actual not suspected presence of communicable disease.

This Extension will apply when access to such location is limited, restricted, or prohibited in excess of 48 hours.

(Exhibit A, at 69).

D. Multiple Coverages Are Triggered

89. The actual presence of COVID-19 at Samsonite Locations has triggered coverages under the Policy.

90. As a result of the actual presence of communicable disease, including at Samsonite Locations, access to such locations was restricted or prohibited by an order of an authorized governmental agency and/or an officer of Samsonite.

91. Samsonite incurred among other losses, those for reasonable and necessary costs for cleanup, removal and disposal of communicable disease from such locations.

92. Samsonite sustained actual loss and extra expenses due to access to such locations being limited, restricted or prohibited due to the presence of communicable disease.

93. Samsonite incurred costs attending to property that was contaminated with SARS-CoV-2.

94. In addition, the presence of COVID-19 at or on property away from Samsonite Locations has triggered coverages under the Policy including, without limitation, for Civil or Military Authority, Contingent Time Element Extended, Ingress/Egress, Logistics Extra Cost, and Attraction Property.

95. Access to Samsonite Locations was limited, restricted, or prohibited (partially or totally) as a result of civil orders resulting from the presence of COVID-19 within five statute miles/eight kilometers from Samsonite's locations. As a result, Samsonite sustained loss.

96. Samsonite incurred actual loss and extra expenses resulting from physical loss or damage to the properties of third parties including, without limitation, direct customers, suppliers, and contract manufacturers.

97. Samsonite incurred actual loss and extra expense due to the interruption of its business due to the partial or total physical prevention of ingress to or egress from Samsonite's locations.

98. Samsonite incurred actual loss and extra expense resulting from physical loss or damage to property located within 1 statute mile/1.6 kilometers of a Samsonite Location, which attracts customers to Samsonite's location.

99. Samsonite has suffered significant losses due to its interruption of business.

100. Samsonite has incurred and will incur claim preparation costs with respect to this claim.

101. Further, governmental orders and public health guidance forcing Samsonite Locations to close has triggered coverage for “physical loss” of insured property under the broad coverage afforded by this All Risk insurance policy.

102. Samsonite has suffered and continues to suffer significant loss as a result of the foregoing.

103. No exclusions in the Policy apply to preclude or limit coverage for Samsonite’s claimed loss.

104. To the extent FMIC contends that any exclusion applies, such exclusion is unenforceable.

105. The Policy’s \$1 million Communicable Disease Response and Interruption by Communicable Disease does not cap Samsonite’s recovery, nor limit any other coverage(s) available under the Policy.

106. Coverage for other physical loss or damage to Samsonite’s property, and coverage for business interruption resulting from loss or damage to property away from Samsonite’s locations, are subject to the policy limits associated with the coverage(s) implicated.

107. To date, FMIC has failed to accept all coverage obligations owed under the Policy for Samsonite’s claim.

108. By letter dated June 9, 2020, FMIC advised: “The presence of COVID-19 at an insured location does not constitute “physical damage of the type insured” as required under this provision. Accordingly, the Policy’s Civil or Military Authority provision (and other Policy

provisions requiring physical loss or damage of the type insured) do not respond based on the information presented.”

COUNT I
Declaratory Judgment

109. Samsonite repeats and re-alleges the allegations in the preceding paragraphs.

110. FMIC has refused and failed to meet its obligations in connection with the losses sustained by Samsonite.

111. In seeking to delay, avoid and limit its coverage obligations, FMIC has offered certain untenable characterizations of the provisions of, and coverage afforded by, the Policy.

112. By reason of the foregoing, an actual, present and justiciable controversy exists between Samsonite and FMIC regarding FMIC’s duties and obligations under the Policy.

113. A declaratory judgment is necessary to determine Samsonite’s rights and FMIC’s obligations under the Policy.

WHEREFORE, Samsonite seeks a declaration from the Court that:

- a) Each coverage provision identified herein is triggered by Samsonite’s claim;
- b) No exclusion in the Policy applies to bar or limit coverage for Samsonite’s claim;
- c) The Policy covers Samsonite’s claim; and
- d) Any other declaratory relief that would be useful to the resolution of the dispute between the parties.

COUNT II
Breach of Contract

114. Samsonite repeats and re-alleges the allegations in the preceding paragraphs.

115. FMIC sold the above referenced Policy, which provides insurance coverage for loss due to COVID-19 and the Stay at Home Orders.

116. Samsonite made a request for insurance coverage for such losses, but FMIC has failed and refused to fully acknowledge and accept its coverage obligations or pay the sums owed to Samsonite.

117. FMIC's failure and refusal is a breach of the Policy.

118. As a result of such breach, Samsonite has incurred and will continue to incur damages.

119. FMIC is liable to Samsonite for such damages resulting from its breach of the Policy.

WHEREFORE, Samsonite demands judgment against FMIC as follows:

- a) For compensatory damages;
- b) For consequential damages
- c) For pre-judgment and post-judgment interest;
- d) For attorneys' fees and costs of suit; and
- e) For such other relief as the court may deem just and appropriate.

COUNT III
Anticipatory Breach of Contract

120. Samsonite repeats and re-alleges the allegations in the preceding paragraphs.

121. FMIC sold the above referenced Policy, which provides insurance coverage for loss due to COVID-19 and the Stay at Home Orders.

122. Samsonite made a request for insurance coverage for such losses, which it continues to incur.

123. However, to date, FMIC has not honored, or agreed to honor, its contractual obligations owed under the Policy.

124. By reason of the foregoing, Samsonite anticipates FMIC will breach its further obligations under the Policy for Samsonite's losses, thereby depriving Samsonite of the benefit of the insurance protection for which substantial premiums have been paid.

WHEREFORE, Samsonite demands judgment against FMIC as follows:

- a) For compensatory damages;
- b) For consequential damages
- c) For pre-judgment and post-judgment interest;
- d) For attorneys' fees and costs of suit; and
- e) For such other relief as the court may deem just and appropriate.

JURY DEMAND

Plaintiffs hereby demand a trial by jury of all claims so triable.

DESIGNATION OF TRIAL COUNSEL

Pursuant to New Jersey Court Rule 4:25-4, Sherilyn Pastor, Esq. is hereby designated as Trial Counsel for Plaintiffs.

For locations described on Wind Areas, Appendix D:</p> <p>USD 50,000 per location.</p>
All Other Loss	USD 50,000

Deductible General Provisions:

In each case of loss covered by this Policy, the Company will be liable only if the Insured sustains a loss, including any insured TIME ELEMENT loss, in a single **occurrence** greater than the applicable deductible specified above, and only for its share of that greater amount.

- A. For SERVICE INTERRUPTION loss, when a deductible is not specifically stated as applying to SERVICE INTERRUPTION, the deductible applied to the SERVICE INTERRUPTION loss will be the deductible that would apply if the cause of the interruption happened at the insured **location** that sustains the interruption of the specified services.
- B. For CONTINGENT TIME ELEMENT EXTENDED loss, when a deductible is not specifically stated as applying to CONTINGENT TIME ELEMENT EXTENDED, the deductible for CONTINGENT TIME ELEMENT EXTENDED loss will be determined as though the **contingent time element location** was an insured **location** under this Policy.
- C. The stated earthquake deductible will be applied to earthquake loss. The stated **flood** deductible will be applied to **flood** loss. The stated **wind** deductible will be applied to **wind** loss. The provisions of item E below will also be applied to each.
- D. When this Policy insures more than one **location**, the deductible will apply against the total loss covered by this Policy in an **occurrence** except that a deductible that applies on a per **location** basis, if specified, will apply separately to each **location** where the physical damage happened regardless of the number of **locations** involved in the **occurrence**.

Account No. 1-56395
Policy No. 1059326

E. Unless stated otherwise, if two or more deductibles apply to an **occurrence**, the total to be deducted will not exceed the largest deductible applicable. For the purposes of this provision, when a separate Property Damage and a separate Time Element deductible apply, the sum of the two deductibles will be considered a single deductible. If two or more deductibles apply on a per **location** basis in an **occurrence**, the largest deductible applying to each **location** will be applied separately to each such **location**.

F. When a % deductible is stated above, whether separately or combined, the deductible is calculated as follows:

Property Damage – % of the value, per the Valuation clause(s) of the PROPERTY DAMAGE section, of the property insured at the **location** where the physical damage happened.

Time Element – % of the full Time Element values that would have been earned in the 12 month period following the **occurrence** by use of the facilities at the **location** where the physical damage happened, plus that proportion of the full Time Element values at all other **locations** where TIME ELEMENT loss ensues that was directly affected by use of such facilities and that would have been earned in the 12 month period following the **occurrence**.

G. For insured physical loss or damage:

- 1) to insured fire protection equipment; or
- 2) from water or other substance discharged from fire protection equipment of the type insured,

the applicable deductible applying to items 1 or 2 above only will be reduced by fifty percent (50%), per **occurrence**. However, this provision will not apply to loss or damage resulting from fire or **earth movement** regardless of whether claim is made for such fire or **earth movement**.

The Insured may elect not to repair or replace the insured real or personal property lost, damaged or destroyed. Loss settlement may be elected on the lesser of repair or replacement cost basis if the proceeds of such loss settlement are expended on other capital expenditures related to the Insured's operations within two years from the date of loss. As a condition of collecting under this item, such expenditure must be unplanned as of the date of loss and be made at an insured **location** under this Policy. TIME ELEMENT

TIME ELEMENT loss as provided in the TIME ELEMENT COVERAGES and TIME ELEMENT COVERAGE EXTENSIONS of this section of the Policy:

- A. is subject to the applicable limit of liability that applies to the insured physical loss or damage but in no event for more than any limit of liability that is stated as applying to the specific TIME ELEMENT COVERAGE and/or TIME ELEMENT COVERAGE EXTENSION; and

 - C. is subject to the Policy provisions, including applicable exclusions and deductibles,
- all as shown in this section and elsewhere in this Policy.

 - 2) the use of any property or service obtainable from other sources;
 - 3) working extra time or overtime; or

- C. This Policy covers expenses reasonably and necessarily incurred by the Insured to reduce the loss otherwise payable under this section of this Policy. The amount of such recoverable expenses will not exceed the amount by which the loss has been reduced.
- D. In determining the amount of loss payable, the Company will consider the experience of the business before and after and the probable experience during the PERIOD OF LIABILITY. The probable experience will consider any increase or decrease in demand for the Insured's goods or services during the PERIOD OF LIABILITY, even if such increase or decrease is from the same event that caused physical loss or damage starting the PERIOD OF LIABILITY.

2. TIME ELEMENT COVERAGES

A. INSURED OPTION

The Insured has the option to make claim based on either

- a) GROSS EARNINGS and EXTENDED PERIOD OF LIABILITY; or
- b) GROSS PROFIT,

as described in the TIME ELEMENT section of this Policy and subject to the applicable terms and conditions as may be shown elsewhere.

Such option may be exercised at any time prior to the conditions set forth in the SETTLEMENT OF CLAIMS clause in the LOSS ADJUSTMENT AND SETTLEMENT section of this Policy.

B. GROSS EARNINGS

Measurement of Loss:

- 1) The recoverable GROSS EARNINGS loss is the Actual Loss Sustained by the Insured of the following during the PERIOD OF LIABILITY:

 - c) plus all other earnings derived from the operation of the business.

Account No. 1-56395
Policy No. 1059326

2) For the purposes of the Measurement of Loss, Gross Earnings is:

for manufacturing operations: the net sales value of production less the cost of all raw stock, materials and supplies used in such production; or

for mercantile or non-manufacturing operations: the total net sales less cost of merchandise sold, materials and supplies consumed in the operations or services rendered by the Insured.

Any amount recovered under property damage coverage at selling price will be considered to have been sold to the Insured's regular customers and will be credited against net sales.

3) In determining the indemnity payable as the Actual Loss Sustained, the Company will consider the continuation of only those normal charges and expenses that would have been earned had there been no interruption of production or suspension of business operations or services.

4) There is recovery hereunder to the extent that the Insured is:

- a) wholly or partially prevented from producing goods or continuing business operations or services;
- b) unable to make up lost production within a reasonable period of time, not limited to the period during which production is interrupted;
- c) unable to continue such operations or services during the PERIOD OF LIABILITY; and

GROSS EARNINGS Exclusions: As respects **GROSS EARNINGS** for distribution centers, manufacturing plants and warehouses, the **TIME ELEMENT EXCLUSIONS C** of this section does not apply.

The amount payable as indemnity hereunder will be:

- a) with respect to Reduction in Sales: The sum produced by applying the Rate of Gross Profit to the amount by which the sales during the **PERIOD OF LIABILITY** will fall short of the Standard Sales. In determining the Reduction in Sales, any

Account No. 1-56395
Policy No. 1059326

amount recovered under property damage coverage at selling price will be credited against lost sales.

b) with respect to Increase in Cost of Doing Business:

- (i) the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in sales which, but for that expenditure, would have taken place during the PERIOD OF LIABILITY; but
- (ii) not exceeding the sum produced by applying the Rate of Gross Profit to the amount of the reduction thereby avoided,

all less any sum saved during the PERIOD OF LIABILITY with respect to such of the Insured Fixed Charges as may cease or be reduced because of such interruption of business.

2) For the purposes of the Measurement of Loss:

Gross Profit is:

The amount produced by adding to the Net Profit the amount of the Insured Fixed Charges, or if there be no Net Profit the amount of the Insured Fixed Charges less that proportion of any loss from business operations as the amount of the Insured Fixed Charges bears to all fixed charges.

Net Profit is:

The net operating profit (exclusive of all capital receipts and accruals and all outlay properly chargeable to capital) resulting from the business of the Insured at the insured **locations** after due provision has been made for all fixed charges and other expenses including depreciation but before the deduction of any taxes on profits.

SUPPLEMENTAL UNITED STATES CERTIFIED ACT OF TERRORISM ENDORSEMENT

This Endorsement is applicable to all insured Locations in the United States, its territories and possessions and the Commonwealth of Puerto Rico.

Coverage for “Certified Act of Terrorism” Under The Terrorism Risk Insurance Act of 2002, as amended.

In consideration of a premium charged of USD**20,890**, this Policy, subject to the terms and conditions therein and in this Endorsement, covers direct physical loss or damage to insured property and any resulting TIME ELEMENT loss, as provided in the TIME ELEMENT section of the Policy, caused by or resulting from a Certified Act of Terrorism as defined herein.

Notwithstanding anything contained elsewhere in this Policy, any exclusion or limitation of terrorism in this Policy and any endorsement attached to and made a part of this Policy, is hereby amended to the effect that such exclusion or limitation does not apply to a “Certified Act of Terrorism” as defined herein. This amendment does not apply to any limit of liability for a Certified Act of Terrorism, if any, stated under the LIMITS OF LIABILITY clause of the DECLARATIONS section of this Policy.

With respect to any one or more Certified Act(s) of Terrorism, this Company will not pay any amounts for which the Company is not responsible under the terms of the Terrorism Risk Insurance Act of 2002 (including subsequent action of Congress pursuant to the Act) which includes a provision stating that if the aggregate insured losses exceed USD100,000,000,000 during any calendar year, neither the United States Government nor any insurer that has met its insurer deductible shall be liable for the payment of any portion of the amount of such losses that exceed USD100,000,000,000. If the aggregate insured losses for all insurers exceed USD100,000,000,000, your coverage may be reduced.

The coverage provided under this Endorsement for “Certified” losses caused by acts of terrorism will be partially reimbursed by the United States Government under a formula established by Federal Law. Under this formula, the United States pays 85% (and beginning on January 1, 2016, shall then decrease by 1 percentage point per calendar year until equal to 80 percent) of covered terrorism losses exceeding a statutorily established retention by the insurer referenced in this Policy. The premium charged for this coverage is provided above.

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Endorsement or the Policy.

The coverage provided by this Endorsement only applies to a Certified Act of Terrorism.

Reference and Application: The following term(s) means:

A “Certified Act of Terrorism” means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States, to be an act of terrorism pursuant to the federal Terrorism Risk Insurance Act of 2002 as amended and

NEW JERSEY EARTHQUAKE INSURANCE AVAILABILITY NOTICE

All Insureds and applicants are cautioned that commercial fire and extended coverage insurance policies do not provide coverage for earthquake damage.

The definition of an *earthquake*:

- is a shaking or trembling of the earth that is geologic or tectonic in nature;
- includes shock waves or tremors before, during or after a volcanic eruption; and
- can also include after-shocks that occur within a seventy-two hour period following an *earthquake*.

A typical commercial fire and extended coverage insurance policy:

- **does not** cover the cost to replace or repair damaged premises or structures, such as garages, resulting from an *earthquake*;
- **does not** cover the cost to replace or repair the contents of business if the damages result from an *earthquake*; and
- **does not** pay for any additional business expenses if property is badly damaged or destroyed by an *earthquake*.

***Earthquake* insurance is available through an endorsement to this policy for an additional premium. The decision to purchase earthquake insurance is one that should be carefully considered based on individual circumstances.**

Historically, an earthquake in New Jersey is a rare event, although the possibility exists that it could happen. Over the five-year period from 1997 to 2002, for every \$1 of *earthquake* insurance premium, 3/10 of one cent has been paid out for losses.

Please contact your broker or account manager if you have any questions or want additional information on how to obtain earthquake insurance.

This notice is a general description of coverage and does not change, modify, or invalidate any of the provisions, terms or conditions of this Policy or its endorsements.

IMPORTANT NOTICE OF PREMIUM DISCOUNTS AND SURCHARGES

Section 38-75-755 of the Code of Laws of
South Carolina requires

FACTORY MUTUAL INSURANCE COMPANY

to notify you of the availability of premium discounts for properties on which fixtures or construction techniques demonstrated to reduce the amount of loss in a windstorm have been installed or implemented. For your insured locations in South Carolina, there are many construction aspects that are reviewed which impact on the Wind portion of your premium. Your account manager can advise you further about how your premium has been developed.

Among the factors considered are the following: the slope of the roof connecting down to the roof eaves line and if there is properly secured flashing; whether all glazed openings are protected for impact resistance and whether the roof tie downs such as clips, single wraps, double wraps, mechanical fasteners, or welds are in place; whether there are mechanical fasteners rated for the wind speed and whether welded connections are within the design for the wind speed; whether all other openings meet protection standards for impact resistance; and where applicable, whether braced gable roofs have been properly braced within the attic to the interior roof rafters.

Masonry construction will be inspected so as to be at least two thirds of the total wall area and if there are unrestrained connections of walls to foundations, this will impact adversely for wind.

Credits are given for buildings meeting FM Global Engineering standards and for meeting the International Building Code as adopted by the South Carolina Building Codes Council as of 2007. Buildings that do not meet these standards may be subject to premium surcharge or other underwriting conditions such as increased deductibles.

EXECUTIVE ORDER NO. 107

WHEREAS, through Executive Order No. 102 (2020), which I signed on February 3, 2020, I created the State's Coronavirus Task Force, chaired by the Commissioner of the New Jersey Department of Health ("DOH"), in order to coordinate the State's efforts to appropriately prepare for and respond to the public health hazard posed by Coronavirus disease 2019 ("COVID-19"); and

WHEREAS, in light of the dangers posed by COVID-19, I issued Executive Order No. 103 (2020) on March 9, 2020, the facts and circumstances of which are adopted by reference herein, which declared both a Public Health Emergency and State of Emergency; and

WHEREAS, in accordance with N.J.S.A. App. A:9-34 and -51, I reserved the right to utilize and employ all available resources of State government to protect against the emergency created by COVID-19; and

WHEREAS, in accordance with N.J.S.A. App. A:9-40, I declared that, due to the State of Emergency, no municipality, county, or any agency or political subdivision of this State shall enact or enforce any order, rule, regulation, ordinance, or resolution which will or might in any way conflict with any of the provisions of my Executive Orders, or which will in any way interfere with or impede their achievement; and

WHEREAS, to further protect the health, safety, and welfare of New Jersey residents by, among other things, reducing the rate of community spread of COVID-19, I issued Executive Order No. 104 (2020) on March 16, 2020, the facts and circumstances of which are also adopted by reference herein, which established statewide social mitigation strategies for combatting COVID-19; and

WHEREAS, Executive Order No. 104 (2020) limited the scope of service and hours of operation for restaurants and certain retail establishments to balance the need to allow individuals to access food and other essential materials with the need to limit unnecessary person-to-person contact; and

WHEREAS, Executive Order No. 104 (2020) deemed a subset of businesses as "essential," including grocery/food stores, pharmacies, medical supply stores, gas stations, healthcare facilities, and ancillary stores within healthcare facilities, and it authorized the State Director of Emergency Management, who is the Superintendent of State Police, to make additions, amendments, clarifications, exceptions, and exclusions to that list; and

WHEREAS, Executive Order No. 104 (2020) made clear that such essential businesses may continue operating without limits on their scope of service or hours of operation, absent further amendments by the State Director of Emergency Management; and

WHEREAS, Executive Order No. 104 (2020) and subsequent Administrative Orders issued by the State Director of Emergency Management also placed restrictions on other businesses' scope of service and hours of operation, and also placed restrictions on the size of gatherings in the State; and

WHEREAS, as of March 20, 2020, according to the Centers for Disease Control and Prevention ("CDC"), there were more than 234,000 confirmed cases of COVID-19 worldwide, with over 9,800 of those cases having resulted in death; and

WHEREAS, as of March 20, 2020, there were more than 15,000 confirmed cases of COVID-19 in the United States, with at least 201 of those cases having resulted in death; and

WHEREAS, as of March 20, 2020, there were at least 890 positive cases of COVID-19 in New Jersey, with at least 11 of those cases having resulted in death; and

WHEREAS, social mitigation strategies for combatting COVID-19 require every effort to reduce the rate of community spread of the disease; and

WHEREAS, the CDC has advised that COVID-19 spreads most frequently through person-to-person contact when individuals are within six feet or less of one another; and

WHEREAS, as a result, the CDC has recommended that individuals practice "social distancing" to prevent community spread of the virus; and

WHEREAS, the CDC has defined social distancing as the practice of "remaining out of congregate settings, avoiding mass gatherings, and maintaining distance (approximately 6 feet or 2 meters) from others when possible"; and

WHEREAS, to mitigate community spread of COVID-19, it is necessary to limit the unnecessary movement of individuals in and around their communities and person-to-person interactions in accordance with CDC and DOH guidance; and

WHEREAS, the best way for New Jersey residents to keep themselves, their families, and their communities safe during the COVID-19 outbreak is to stay at home as much as possible; and

WHEREAS, as of March 15, 2020, the CDC recommends that for the next eight weeks, gatherings of 50 or more people be canceled or postponed throughout the United States; and

WHEREAS, as of March 16, 2020, the White House went further than the CDC had and recommended that Americans avoid social gatherings in groups of more than 10 people; and

WHEREAS, restricting the physical presence of individuals in office environments and work sites is critical to preventing future spread of COVID-19; and

WHEREAS, accommodating work-from-home arrangements is an effective means to ensure continuity of operations while also limiting person-to-person contact; and

WHEREAS, the CDC has recommended employers to establish policies and practices to increase the physical distance among employees and between employees; and

WHEREAS, permitting the workforce to work from home may reduce stress on the State's child care system; and

WHEREAS, as of March 19, 2020, I have instructed all State departments and agencies to utilize work-from-home arrangements for both essential and non-essential employees wherever feasible; and

WHEREAS, given the rapidly rising incidence of COVID-19, temporarily closing non-essential retail businesses will strengthen New Jersey's efforts to slow the spread of COVID-19; and

WHEREAS, even as we institute social distancing measures, the number of COVID-19 cases in New Jersey is likely to increase for the immediate future, meaning we must take all possible steps to preserve our health care system's capacity to treat those who require emergency or intensive care; and

WHEREAS, the Constitution and statutes of the State of New Jersey, particularly the provisions of N.J.S.A. 26:13-1 et seq., N.J.S.A. App. A: 9-33 et seq., N.J.S.A. 38A:3-6.1, and N.J.S.A. 38A:2-4 and all amendments and supplements thereto, confer upon the Governor of the State of New Jersey certain emergency powers, which I have invoked;

NOW, THEREFORE, I, PHILIP D. MURPHY, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. The operative paragraphs of Executive Order No. 104 (2020) are hereby superseded in full. The factual findings of Executive Order No. 104 (2020) remain applicable except to the extent they are in conflict with the factual findings in this or any intervening Executive Order.

2. All New Jersey residents shall remain home or at their place of residence unless they are 1) obtaining goods or services from essential retail businesses, as described in Paragraph 6; 2) obtaining takeout food or beverages from restaurants, other dining establishments, or food courts, pursuant to Paragraph 8; 3) seeking medical attention, essential social services, or assistance from law enforcement or emergency services; 4) visiting family or other individuals with whom the resident has a close personal relationship, such as those for whom the individual is a caretaker or romantic partner; 5) reporting to, or performing, their job; 6) walking, running, operating a wheelchair, or engaging in outdoor activities with immediate family members, caretakers, household members, or romantic partners while following best social distancing practices with other individuals, including staying six feet apart; 7) leaving the home for an educational, religious, or political reason; 8) leaving because of a reasonable fear for his or her health or safety; or 9) leaving at the direction of law enforcement or other government agency.

4. Individuals who have to travel pursuant to Paragraph 2 should only use public transportation only if they have no other feasible choice. Individuals who ride public transportation should abide by best social distancing practices, including making

all efforts to stand or sit six feet away from other riders and frequently use sanitizing products.

5. Gatherings of individuals, such as parties, celebrations, or other social events, are cancelled, unless otherwise authorized by any part of this Order. The State Director of Emergency Management, who is the Superintendent of the State Police, shall have the discretion to make clarifications and issue orders related to this provision.

Additionally, online and telephonic delivery services are permitted to the extent the retail business is authorized to operate an online or telephonic delivery service under existing law. These include all reasonable efforts to keep customers six feet apart and frequent use of sanitizing products on common surfaces.

8. All restaurants, cafeterias, dining establishments, and food courts, with or without a liquor license, all bars, and all other holders of a liquor license with retail consumption privileges, are permitted to operate their normal business hours, but are limited to offering only food delivery and/or take-out services in accordance with their existing liquor licenses. Public Order Under City of Los Angeles Emergency Authority

Issue Date: March 19, 2020 (Revised April 1, 2020)

Subject: SAFER AT HOME

The novel coronavirus pandemic is a global emergency that is unprecedented in modern history. Profoundly impacting our daily lives, it has inspired Angelenos to respond with courage, compassion, wisdom and resolve to overcome this crisis and help each other.

In a short period of time and at an unprecedented scale, residents in every community have embraced urgent social distancing best practices and aggressive hygienic precaution, not just to protect themselves, but to protect others. Angelenos understand with exceptional clarity that there is only one way to get through this difficult moment: together.

The City's recent emergency orders — curtailing large public gatherings; temporarily closing many government facilities; closing theaters, bars and entertainment venues; prohibiting restaurants from serving to dine-in customers while permitting take-out, delivery and drive-thru; and a ban on evictions of residential and commercial tenants who cannot pay rent due to financial impacts caused by COVID-19 — have been followed with a willing and generous spirit.

While we have previously taken strong action, now the City must adopt additional emergency measures to further limit the spread of COVID-19.

With this virus, we are safer at home.

Wherever feasible, City residents must isolate themselves in their residences, subject to certain exceptions provided below. This Order is given because, among other reasons, the COVID-19 virus can spread easily from person to person and it is physically causing property loss or damage due to its tendency to attach to surfaces for prolonged periods of time

Under the provisions of Section 231(i) of the Los Angeles City Charter and Chapter 3, Section 8.27 of the Los Angeles Administrative Code, I hereby declare the following orders to be necessary for the protection of life and property in the City of Los Angeles, effective on Thursday, March 19, 2020 at 11:59 PM:

1. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all persons living within the City of Los Angeles are hereby ordered to remain in their homes. Residents of the City of Los Angeles who are experiencing homelessness are exempt from this requirement. The City is working, along with partner government agencies and non-governmental organizations, to make more emergency shelters available for the unhoused residents of our City. City of Los Angeles officials and contracted partners responsible for homelessness outreach shall make every reasonable effort to persuade such residents to accept, if offered, temporary housing or shelter, as the Health Officer of the County of Los Angeles recommends that sheltering individuals will assist in reducing the spread of the virus and will protect the individual from potential exposure by allowing the individual access to sanitation tools. People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence to the extent possible except as necessary to seek medical care.
2. Subject only to the exceptions outlined in this Paragraph and Paragraph 5 below, all businesses within the City of Los Angeles are ordered to cease operations that require in-person attendance by workers at a workplace (including, without limitation, indoor malls and indoor shopping centers, including all stores except for those stores considered essential activities or infrastructure under this Order which are directly accessible to the public from the exterior of the mall or shopping center - the interior of the indoor mall or indoor shopping center shall remain closed to the public). To the extent that business operations may be maintained by telecommuting or other remote means, while allowing all individuals to maintain shelter in their residences, this Order shall not apply to limit such business activities. A business that fails to cease operation despite not meeting an exception in this Paragraph or Paragraph 5 may be subject to having its water and power services shut off by the Department of Water and Power for not being in compliance with the Order. The Deputy Mayor of Public Safety, or his written designee, may, after engagement with and a written warning issued to a noncompliant business, refer that business in writing to the Department of Water and Power to shut off water and power services pursuant to this order. Upon receiving such a written referral, the Department of Water & Power is authorized to shut off water and power services to the noncompliant business operating in violation of the Order.
3. All public and private gatherings of any number of people occurring outside a residence are prohibited, except as to those exempted activities described in this Paragraph and Paragraph 5. This provision does not apply to gatherings within a single household or living unit.

In addition, any travel related to (a) providing care for minors, the elderly, dependents, persons with disabilities, or other vulnerable persons; (b) returning to one's place of residence from outside the City; (c) travelling to one's place of residence located outside the City; (d) compliance with an order of law enforcement or court shall be exempt from this Order; or (e) legally mandated government purposes. EXHIBIT E

EXECUTIVE ORDER NO. 122

WHEREAS, through Executive Order No. 102 (2020), which I signed on February 3, 2020, I created the State's Coronavirus Task Force, chaired by the Commissioner of the New Jersey Department of Health ("DOH"), in order to coordinate the State's efforts to appropriately prepare for and respond to the public health hazard posed by Coronavirus disease 2019 ("COVID-19"); and

WHEREAS, on March 9, 2020, through Executive Order No. 103 (2020), the facts and circumstances of which are adopted by reference herein, I declared both a Public Health Emergency and a State of Emergency throughout the State due to the public health hazard created by COVID-19; and

WHEREAS, on April 7, 2020, I issued Executive Order No. 119 (2020), which declared that the Public Health Emergency declared in Executive Order No. 103 (2020) continues to exist; and

WHEREAS, in accordance with N.J.S.A. App. A:9-34 and -51, I reserved the right to utilize and employ all available resources of State government to protect against the emergency created by COVID-19; and

WHEREAS, on March 16, 2020, through Executive Order No. 104 (2020), the facts and circumstances of which are adopted by reference herein, I established statewide social mitigation strategies for combatting COVID-19; and

WHEREAS, in recognition that the Centers for Disease Control and Prevention ("CDC") has advised that social mitigation strategies for combatting COVID-19 require every effort to reduce the rate of community spread of the disease and that COVID-19 spreads most frequently through person-to-person contact when individuals are within six feet or less of one another, I issued Executive Order No. 107 (2020), on March 21, 2020, the facts and circumstances of which are adopted by reference herein, which ordered steps to mitigate community spread of COVID-19; and

WHEREAS, Executive Order No. 107 (2020) closed non-essential retail businesses to the public, but permitted essential retail businesses and other businesses that require an in-person workforce to continue to operate; and

WHEREAS, Executive Order No. 107 (2020) institutes clear parameters on essential retail businesses that are permitted to operate and requires that all businesses or non-profits utilize telework or work-from-home arrangements wherever practicable; and

WHEREAS, Executive Order No. 107 (2020) stated that businesses or non-profits who have employees who cannot perform their functions via telework or work-from-home arrangements should make best efforts to reduce staff on site to the minimal number necessary to ensure that essential operations can continue; and

WHEREAS, Executive Order No. 107 (2020) noted that examples of such workers who need to be physically present at their work site include construction workers; and

WHEREAS, construction sites are inherently difficult environments for social distancing to occur, as they frequently require large numbers of individuals to touch the same surfaces, gather closely together in areas such as service elevators, and use common facilities such as portable restrooms; and

WHEREAS, while some construction is needed to expand our health care system's capacity, address immediate infrastructure deficiencies, and prevent future disruptions in various areas such as education, housing, and transportation, which are themselves tied to the public health and safety, other construction projects do not need to proceed immediately and should be postponed in light of public health considerations; and

WHEREAS, essential retail businesses continue to deliver critical goods like food and medical supplies to the State's residents; and

WHEREAS, the State's manufacturing and warehousing businesses, where essential goods are made and/or stored before delivery to the retail business or consumer, continue to provide a vital service to the public by fueling our supply chain and continue to contribute to New Jersey's response to the present pandemic; and

NOW, THEREFORE, I, PHILIP D. MURPHY, Governor of the State of New Jersey, by virtue of the authority vested in me by the Constitution and by the Statutes of this State, do hereby ORDER and DIRECT:

1. Where an essential retail business is permitted to maintain in-person operations pursuant to Executive Order No. 107 (2020) and any subsequent Administrative Orders, such business must adopt policies that include, at minimum, the following requirements:

- a. Limit occupancy at 50% of the stated maximum store capacity, if applicable, at one time;
- b. Establish hours of operation, wherever possible, that permit access solely to high-risk individuals, as defined by the CDC;
- c. Install a physical barrier, such as a shield guard, between customers and cashiers/baggers wherever feasible or otherwise ensure six feet of distance between those individuals, except at the moment of payment and/or exchange of goods;
- d. Require infection control practices, such as regular hand washing, coughing and sneezing etiquette, and proper tissue usage and disposal;
- e. Provide employees break time for repeated handwashing throughout the workday;

- f. Arrange for contactless pay options, pickup, and/or delivery of goods wherever feasible. Such policies shall, wherever possible, consider populations that do not have access to internet service;
- g. Provide sanitization materials, such as hand sanitizer and sanitizing wipes, to staff and customers;
- h. Require frequent sanitization of high-touch areas like restrooms, credit card machines, keypads, counters and shopping carts;
- i. Place conspicuous signage at entrances and throughout the store, if applicable, alerting staff and customers to the required six feet of physical distance;
- j. Demarcate six feet of spacing in check-out lines to demonstrate appropriate spacing for social distancing; and
- k. Require workers and customers to wear cloth face coverings while on the premises, except where doing so would inhibit that individual's health or where the individual is under two years of age, and require workers to wear gloves when in contact with customers or goods. Businesses must provide, at their expense, such face coverings and gloves for their employees. If a customer refuses to wear a cloth face covering for non-medical reasons and if such covering cannot be provided to the individual by the business at the point of entry, then the business must decline entry to the individual, unless the business is providing medication,

medical supplies, or food, in which case the business policy should provide alternate methods of pickup and/or delivery of such goods. Nothing in the stated policy should prevent workers or customers from wearing a surgical-grade mask or other more protective face covering if the individual is already in possession of such equipment, or if the business is otherwise required to provide such worker with more protective equipment due to the nature of the work involved. Where an individual declines to wear a face covering on store premises due to a medical condition that inhibits such usage, neither the essential retail business nor its staff shall require the individual to produce medical documentation verifying the stated condition.

2. The physical operations of all non-essential construction projects shall cease when this Order takes effect. "Essential construction projects" shall be defined as the following:

- a. Projects necessary for the delivery of health care services, including but not limited to hospitals, other health care facilities, and pharmaceutical manufacturing facilities;
- b. Transportation projects, including roads, bridges, and mass transit facilities or physical infrastructure, including work done at airports or seaports;
- c. Utility projects, including those necessary for energy and electricity production and transmission, and any decommissioning of

- facilities used for electricity generation;
- d. Residential projects that are exclusively designated as affordable housing;
 - e. Projects involving pre-K-12 schools, including but not limited to projects in Schools Development Authority districts, and projects involving higher education facilities;
 - f. Projects already underway involving individual single-family homes, or an individual apartment unit where an individual already resides, with a construction crew of 5 or fewer individuals. This includes additions to single-family homes such as solar panels;
 - g. Projects already underway involving a residential unit for which a tenant or buyer has already entered into a legally binding agreement to occupy the unit by a certain date, and construction is necessary to ensure the unit's availability by that date;
 - h. Projects involving facilities at which any one or more of the following takes place: the manufacture, distribution, storage, or servicing of goods or products that are sold by online retail businesses or essential retail businesses, as defined by Executive Order No. 107 (2020) and subsequent Administrative Orders adopted pursuant to that Order;
 - i. Projects involving data centers or facilities that are critical to a business's ability to function;
 - j. Projects necessary for the delivery of essential social services, including homeless shelters;

- k. Any project necessary to support law enforcement agencies or first responder units in their response to the COVID-19 emergency;
- l. Any project that is ordered or contracted for by Federal, State, county, or municipal government, or any project that must be completed to meet a deadline established by the Federal government;
- m. Any work on a non-essential construction project that is required to physically secure the site of the project, ensure the structural integrity of any buildings on the site, abate any hazards that would exist on the site if the construction were to remain in its current condition, remediate a site, or otherwise ensure that the site and any buildings therein are appropriately protected and safe during the suspension of the project; and
- n. Any emergency repairs necessary to ensure the health and safety of residents.

3. Manufacturing businesses, warehousing businesses, and businesses engaged in essential construction projects must adopt policies that include, at minimum, the following requirements:

- a. Prohibit non-essential visitors from entering the worksite;
- b. Limit worksite meetings, inductions, and workgroups to groups of fewer than ten individuals;
- c. Require individuals to maintain six feet or more distance between them wherever possible;
- d. Stagger work start and stop times where practicable to limit the number of individuals entering and leaving the worksite concurrently;

- e. Stagger lunch breaks and work times where practicable to enable operations to safely continue while utilizing the least number of individuals possible at the site;
- f. Restrict the number of individuals who can access common areas, such as restrooms and breakrooms, concurrently;
- g. Require workers and visitors to wear cloth face coverings, in accordance with CDC recommendations, while on the premises, except where doing so would inhibit the individual's health or the individual is under two years of age, and require workers to wear gloves while on the premises. Businesses must provide, at their expense, such face coverings and gloves for their employees. If a visitor refuses to wear a cloth face covering for non-medical reasons and if such covering cannot be provided to the individual by the business at the point of entry, then the business must decline entry to the individual. Nothing in the stated policy should prevent workers or visitors from wearing a surgical-grade mask or other more protective face covering if the individual is already in possession of such equipment, or if the businesses is otherwise required to provide such worker with more protective equipment due to the nature of the work involved. Where an individual declines to wear a face covering on the premises due to a medical condition that inhibits such usage, neither the business nor its staff shall require the individual to produce medical documentation verifying the

stated condition;

- h. Require infection control practices, such as regular hand washing, coughing and sneezing etiquette, and proper tissue usage and disposal;
- i. Limit sharing of tools, equipment, and machinery;
- j. Provide sanitization materials, such as hand sanitizer and sanitizing wipes, to workers and visitors; and
- k. Require frequent sanitization of high-touch areas like restrooms, breakrooms, equipment, and machinery.

4. All essential retail businesses, warehousing businesses, manufacturing businesses, and businesses performing essential construction projects must also adopt policies that include, at minimum, the following requirements:

- a. Immediately separate and send home workers who appear to have symptoms consistent with COVID-19 illness upon arrival at work or who become sick during the day;
- b. Promptly notify workers of any known exposure to COVID-19 at the worksite, consistent with the confidentiality requirements of the Americans with Disabilities Act and any other applicable laws;
- c. Clean and disinfect the worksite in accordance with CDC guidelines when a worker at the site has been diagnosed with COVID-19 illness; and
- d. Continue to follow guidelines and directives issued by the New Jersey Department of Health, the CDC and the Occupational Health and Safety Administration, as applicable, for maintaining a clean, safe and healthy work environment.

5. Where a business is authorized to maintain in-person operations pursuant to Executive Order No. 107 (2020) and subsequent Administrative Orders, owners of buildings used for commercial, industrial or other enterprises, including but not limited to facilities for warehousing, manufacturing, commercial offices, airports, grocery stores, universities, colleges, government, hotels, and residential buildings with at least 50 units, shall adopt policies that, at minimum, implement the following cleaning protocols in areas where operations are conducted:

- a. Clean and disinfect high-touch areas routinely in accordance with CDC guidelines, particularly in spaces that are accessible to staff, customers, tenants, or other individuals, and ensure cleaning procedures following a known or potential exposure in a facility are in compliance with CDC recommendations;
- b. Otherwise maintain cleaning procedures in all other areas of the facility; and
- c. Ensure that the facility has a sufficient number of workers to perform the above protocols effectively and in a manner that ensures the safety of occupants, visitors, and workers.

6. The State Director of Emergency Management ("State Director"), who is the Superintendent of State Police, shall have the discretion to make additions, amendments, clarifications, exceptions, and exclusions to the terms of this Order.

7. It shall be the duty of every person or entity in this State or doing business in this State and of the members of the governing body and every official, employee, or agent of every political subdivision in this State and of each member of all other

governmental bodies, agencies, and authorities in this State of any nature whatsoever, to cooperate fully in all matters concerning this Executive Order, and to cooperate fully with Administrative Orders issued pursuant to this Executive Order.

8. Penalties for violations of this Executive Order may be imposed under, among other statutes, N.J.S.A. App. A:9-49 and -50.

9. This Order shall take effect beginning at 8:00 p.m. on Friday, April 10, 2020, and shall remain in effect until revoked or modified by the Governor, who shall consult with the Commissioner of DOH as appropriate.

GIVEN, under my hand and seal this
